14. (Unclassified - GLC) The Director called to advise me of his meeting with Chairman John Stennis, Senate Armed Services Committee. (See Memo for Record.)

15. (Confidential - GLC) General Furlong, DOD Legislative Affairs, called to say that Bill Timmons, White House staff, had advised him that Senator Howard Baker will be introducing his resolution to establish a joint committee on intelligence within the next day or two. He said Baker is basing the need for such a committee on Watergate, Chile, etc. Timmons thinks Baker has Senator Mike Mansfield's support and such an action would probably get through the Senate. Timmons also said Chairmen Morgan and Hebert want to meet with Secretary Kissinger tomorrow.

16. (Confidential - GLC) Called Ed Braswell and filled him in on the Director's meeting with Chairman Stennis. Braswell advised that the Chairman wanted the stenotype notes of the 12 September 1974 briefing transcribed. I said we would take care of it.

17. (Confidential - GLC) Nancy Bearg, Senate Armed Services Committee staff, called to say that Chairman Stennis has asked her to prepare a paper on the international law pertaining to interventions in the affairs of foreign countries. She said she has had the Library of Congress do some research for her and wanted any thoughts we might have. I told her I thought OGC had prepared a paper on this and I would get it to her tomorrow.

Ms. Bearg commented she had been in attendance at the Fund for Peace meeting on Friday, 13 September and was very impressed with the Director's presentation. She said she had passed her comments on to the Chairman.

18. (Unclassified - GLC) Received a call from Marian Czarnecki, Chief of Staff, House Foreign Affairs Committee, who asked that I drop by to see him tomorrow.
